# Make the Bosses Crawl MALCONTENTS, PEDANTICS and SCRIBES

(Tune-"John Brown's Body")

It is very easy now to make the bosses crawl Have some fancy signs made and go down to City Hall

March around the park in a slow and easy gait And plague the Board of Estimate

> Glory, glory hallelujah Bobby Wagner's out to fool yuh His reformers now will rule yuh Till the town runs out of dough.

We are cops and firemen who work for old New York

We've come down to City Hall because we want to squawk

From our good commissioners all we get is talk But that won't pay our rent.

Glory, glory hallelujah We won't go to court to sue yuh This protest, we think, is due yuh You have got to raise our pay.

Teachers have the toughest jobs and work the longest hours

Pupils bring us lots of grief—they never bring us flowers,

Some get paid for over-time—but no such graft is ours

We'll shut the darn schools up.

Glory, glory hallelujah When we strike, it will be due yuh Parents, then are bound to chew yuh When the brats are staying home.

We've been sending in the dope on each new picket line

Now it's our turn, we're the men who work in old room nine

Once we thought that it was silly—now we think it fine

To march around the Hall.

Glory, glory television

Even with their late edition

You'll find out what you've been missin'

When we go back to work.

### Laugh It Up SCRIBES

(Tune—Same)

We're the fourth estate
See us now, see us now
What an awful fate
What a wow—what a wow
We no longer give City Hall the shiv
Now you public officials can live
We don't write a word
We can't show up your graft
You give us the bird
And we give you the shaft
You have just brought back, good ole Hulan Jack
And his pension you'll never get back.
You nearly sneaked that parking meter scandal
through

But Hogan was upset
At what you tried to do
You no longer care
What our editors are thinking
You can do anything at all
You are smart enough to know that there's a
blackout
You'll bring back old Taminany Hall.

Though we're on our can
We're not down—we're not down
Since the strike began we're all over the town
Though our cares and woes overflow our cup
Laugh it up, laugh it up, laugh it up.

We've been on TV

And on radio
Though we worked for free
We could use the dough
No sad tale to tell
Bankrolls shot to hell
Laugh it up, laugh it up, laugh it up.

Your phony acts as you try hard to raise the tax We'll surely see that all the people get the facts We will look behind What you're saying in your speeches And you'll find that we will recall. We will tell the voters how you operated When you try to steal City Hall.

## Greatest Flop I've Ever Had WAGNER

(Tune-"The Sweetest Sounds")

The greatest flop I've ever had Was last Election Day
The voters made me very mad
They wouldn't vote my way
With Morgenthau and Donovan
I surely thought I'd click
But right now, it's Rocky and Javits
Who came in, turning the trick
Their victory made me
Look very sick.

The seat that I want most of all Is waiting to be won I still hope I will get the call To go to Washington.
But last election pulled my cork And left wide open race
For the picture now for old New York For Senate to my misery
Are Farley, Stratton, Pike
But not poor me.

## New Tax Money BEAME

(Tune-"Dark Town Strutters Ball")

We'll be down to take you for some new tax money
On beer and dolls and real estate
We'll have a sky-high rate.
You wanna be there when the saps start paying
Remember when we tax your paycheck
Bye n'bye we're gonna get it all
We're gonna tax your baby's shoes
And your grandma's favorite booze.
And then we'll raise our pay to fifty grand.

We'll be down to tax you on your subway tokens
Your two cents plain will go up to three
We'll tax your vitamin C.
Soon we'll need more dough for Cad-ill-acs
So remember me and Paul and Bobby
Our taxation is the best of all;
And if you should ever beef, our answer will be
brief
Get lost, you mugs, and just go on relief.

## Green Dollars THE BOARD OF ESTIMATE

(Tune-"Old Gray Bonnet")

Take out your old green dollars
Forget all your hollers,
While we hitch your bankroll to Bill Shea;
Though your screams are hearty;
Give to John J. Carty,
Then Abe Beame can grab your pay.

Bob Wagner wants your taxes; The plain, awful facts-is; When we spend, we really mean no harm; A New York carol For our own pork barrel; We want more pork sausage, mom!

## We'll Be In Clover THE ENSEMBLE

(Tune-"Four Leaf Clover")

We'll be in clover
When the strike is over
Then we'll be back in the hall
We will review what you all tried to do
We'll put a spotlight on each of you
All the excitement and each indictment
We won't overlook a fact;
What we've heard or seen—er and each
misdemeanor
We'll catch you all in the act.

Down through the ages,
Newspaper pages
Have kept you all well informed,
But with a blackout,
You're tempted to be
Just a bit careless
On this you'll agree
When we are printing,
There'll be no stinting
We'll spill lots of blood and gore
Comes then the dawning,
We give fair warning
We'll sock as we socked before.

LILES TOOK JOD GOODDID THINK	

## New Frontier Bound ENTIRE COMPANY

(Tune-"Alabama Bound")

There'll be a new frontier
That's why the Rockefellers settled here,
That fella Nelson had a bright idea;
He's not meek,
A brand new house in Washington, he'll seek.
He'll not get off the ground.
Though he is certain that his plan is sound,
He surely has the dough, but we all know,
Where he'll go—
And he's not White House bound.

You promised everyone
That fellow Khrushchev you'd have on the run,
But Keating told us just what Russia had,
On the pad,
It made Americans get really mad.
Now, everybody hear:
We think you Democrats will surely sneer,
We say with a doubt
That Jack goes out;
And we shout:
We'll have our own frontier.

## Lone Cow Hand LEVITT

(Tune-Same)

I'm a lone cow hand,
And I made my stand
But in New York town,
Voters turned me down;
When I lost that mayoralty,
The bosses all lost face with me;
But now I'm back in a job you see
I don't need sympathy.

You're not through with me
As you'll shortly see;
As I proved to you;
Back in Sixty-Two.
I showed that I was still alive
For a bigger job I'm gonna strive;
I'll be king bee in the hive,
In about Sixty-Five.

## I'm Sorry I Made That Try MORGENTHAU and WAGNER

(Tune-"I'm Sorry I Made You Cry")

### MORGENTHAU:

How sad am I,
How mad am I
I'm sorry I made that try—
Blintzes and meat
I wouldn't eat,
Voters then passed me by;
Speeches I wrote
No one could quote
Over my loss I just sigh
And tee-vee time I couldn't buy;
I'm sorry I made that try.

#### WAGNER:

You're back on crime;
Just bide your time,
You're such a very nice guy,
You gave the facts
On Rocky's tax;
Now all the taxpayers cry,
In four more years;
We'll dry their tears;
Just Democrats will apply;
After that beating you took last year
We'll turn to some other guy.

## Who Am I? McKEON

(Tune—"Scatterbrain")

Though Bob Wagner may resent me And reformers still are coy
The word has gotten 'round the State I'm Kennedy's new boy.
Charlie Buckley stands behind me Stanley Steingut thinks I'm swell
The patronage is flowing
I'm the keeper of the well.

To hell with Levitt and the others
Who may try to call the shots
The old-line politicians try to fill the slot
Let Peter Crotty and Jack English
Act like sulking Hotentots
I'm the boss whose gonna fill the spots.
Though Bob Morgenthau dismayed me
And our ticket was a loss
I played ball with Kennedy
Now I'm the new State boss.

## Pore Jud Is Daid HILLBILLY

(Tune-Same)

Pore Jud is daid
Politically he is daid—
He shouldn't oughter offered that advice.
Frank Hogan got the drift
So Judd had to make a shift,
That's why we packed pore Jud away in ice.

Pore Jud is daid Yes, Morhouse sure is daid But someone else will rise to take his place.

At the toll gates on the Thruway In the halls of G. O. P. They'll get accustomed to another face.

Pore Jud is daid
We'll have to heed instead
Another who will soon be chosen head.
And now to handle liquor
We'll have to be much slicker
Why couldn't Morhouse just have stood in bed.

## Javits CALLER

(Tune-"Jada")

Javits, Javits,
Javits is a real sure thing;
Javits, Javits,
He'll orate on anything
You hear him in the Summer,
You hear him in the Fall,
In any other season,
You don't hear from him at all;
Javits, Javits,
Javits is a real sure thing.

Javits, Javits,
They say he's Jake in New York State
Javits, Javits,
Is he even second-rate?
He'll befuddle voters,
Whether short or whether tall;
In spite of all his yakking,
Doesn't say a thing at all;
Javits, Javits,
Is a many splendored thing.

## Two-Gun Louis LEFKOWITZ

(Tune—"Yellow Rose of Texas")
The frauds in this old frontier town
Just throw me into fits
I'm known as two-fun Louis—But I'm
Louis Lefkowitz
When I start to investigate
I always dig right in
But when I ran for Mayor
I found I couldn't win.

I looked into those brokers, Tryin' to milk the suckers dry And on those dear consumers I've kept a watchful eye And lately I made up my mind That I would put the clamps On phonies who were peddling Those worthless yellow stamps.

## Kiss Your Job Goodbye KENNEDY and ROCKEFELLER

(Tune—"Kiss the Boys' Goodbye")

### ROCKY:

You may think that you're number one But I'll change that all before I'm done; I'm not in this, feller, just for fun Kiss your job goodbye.
You are loaded up with coin But my family has some dough to burn; Buying delegates is now my turn Kiss your job goodbye.

And though we may not buy up West Virginia California we have in the bag
You are gonna find I'm diggin' in ya
I assure you that's no brag.
Politics must take its toll
Loading relatives on our payroll;
You had several others to enroll—
Kiss your job goodbye-

### KENNEDY:

You plan to travel through the states
Just to gather up some delegates
It's so hard for you to sit and wait
Kiss New York goodbye.
Though Albany may rate so high
And you've set your sights up in the sky;
The convention will be by and bye
Kiss New York goodbye.

And while you criticize my every action And tell the folks you know it all: You alienate another faction And your chances take a fall If in Sixty-Four you make your try And you think you'll have a reason why, Scranton and Goldwater'll drain you dry Kiss New York goodbye.

## Here Come The Taxes ENTIRE COMPANY

(Tune—"Deep in the Heart of Texas")

When you raise dough,
We've come to know
We'll sure get hit with taxes;
We get bad pains
From capital gains
Our indignation waxes;
You put the bite
With all your might
Each move we make
Just wracks us.
You like to tease
And call them fees—
But they wind up as taxes.

On Ten-four-oh
Tell all you know
But that won't help you any;
Put in the pot,
Each dime you've got;
And don't hold back a penny;
We dare not slip
And claim a trip,
That tax man is too wary;
That dame with you
At the Fontainebleu
Was not your secretary.

## Come, Gather THE ENSEMBLE

(Tune-"Down Yonder")

Come gather we will take you along
We'll render some good old fashioned songs
We'll even give you songs that everyone knows
Some of the jokes from Inner Circle shows
We will try to name
Some men of lesser fame
Each and every man
We'll just put on the pan
We'll have you know it's all in good fun
We think that you'll agree
When we're done
If we really tease you
We've just tried to please you—
Now lets' fire the opening gun.

## Little Piece of Garbage TRYLON

(Tune—"A Little Bit of Heaven.")

Oh, a little piece of garbage Fell from off a scow one day And it nestled in a little spot That they called Flushing Bay More garbage then collected And in a little while They had a great big piece of land That looked like barren isle Then Bob Moses got a great idea And LaGuardia thought it swell They perfumed it with roses Just to camouflage the smell They fronted it with Whalen Just to give the thing a flair And when they had it finished Sure they called it the World's Fair.

## Man of Many Jobs PERISPHERE

There's a man who's been in city jobs For thirty years or so And for twenty years the politicians Wished that he would go But year by year he stayed and made The office-holders cower; He ended up with thirteen jobs And lots and lots of power. Then Tom Deegan, he recalled that In a dim and distant day Robert Moses had worked wonders With a park in Flushing Bay. So when at last the City Fathers Gave our Bob the air Sure, the way they found to do it Was revive the old World's Fair.

### We Told You in the Thirties

### UNISPHERE

Oh, we told you in the 'Thirties How he changed these old mud flats We told all about Bob Moses With a baker's dozen hats But when the Gov'nor told him He'd expect Bob to resign, Bob Moses said to Rocky You take all these jobs of mine-So he went to work and got the dough And gladly told the Guv He could give the jobs to Laurance With a good, old-fashioned shove Now the Gov'nor feels so sorry He is pulling out his hair For Bob Moses has the last laugh And he's got his new World's Fair.

## Pitchman, Stichman STOOL PIGEON

(Tune-"Daisy")

Stichman, Snitchman
He's Rocky's Sherlock Holmes
Ran a railroad
No passengers he found
Now Tobin has come into it
The stockholders all rue it
It's off the track
And won't come back
He'll run it into the ground.

Pitchman, Stichman,
Snooping throughout the State
Rocky's hoping
He doesn't start too late:
He fervently wishes Herman
Finds Democratic vermin
With proof complete
To take the heat
Off the G. O. P. candidate

## If You Would Go To Europe ADAM POWELL

(Tune-"Mañana")

If you would go to Europe
You should go there on the cuff
Don't worry about currency
Uncle Sammy has enough
He'll furnish you with everything
You'll never have a care:
He'll let you take some company
He'll even fly you there

With cuties, with beauties You'll make a hit In all those Paris Pubs.

And when you're through and find that you Have nowhere else to go
Don't be insane, just take a plane
To dear Puerto Rico
If things get hot, as like as not,
You're ready to relax
Pass all your smirks to those poor jerks
Who pay their income tax.

### Poor New York Cops

(Remembering 1954)

### MINION, GUARDIAN, DEFENDER and PROTECTOR

(Tune-"Heart of My Heart")

Once we were called
The finest of them all
Played fifty years
Outside of City Hall
We'd harmonize
At ev'ry benefit
Didn't make a single dime
Now Adams has us solving crime
Once we would march
Up gay Fifth Avenue
On ev'ry holiday
But Adams pulled a boner
We'll march on Rosh Hashona
And pound a beat on auld St. Patrick's Day.

### I Wonder Where Barnes Has Gone Now

**DUNCAN** 

(Tune-"I Wonder Who's Kissing Her Now")

I wonder where Barnes has gone now
We miss good old Henry somehow
New York's transportation is not so well
For quite a spell—it's gone to hell
While Henry is out on the go
The vandals are stealing his dough
Every meter's a joke
And the city's gone broke
With Henry out in Borneo

## Every New Hotel GERTIE, FLO, SALLY and MOLLY

(Tune—"There's a Small Hotel")

Every new hotel
Keeps us doing well
In fact, we think we'll soon retire;
All the Johns in town
Plank their dough right down,
To paint the town, they aspire;
Any night you'll find us just like any Polyanna
With some top banana;
Getting manna
Cops get on our tail
But we don't need bail;
Because they never seem to catch us.

## It's A Great Day For The Irish SHAMROCK

(Tune—Same)

It's a great day today for the Irish
You can hear them all shoutin' hooray
When it comes to transportation
They are in the driver's seat
Out in Brooklyn at the T. A.
Oh, there ain't many passengers for Flushing
That's a name that makes all the Irish squawk
If you want to put the system
On a good financial base
You'll have to dig a tube to County Cork.

The T. A.'s gone to hell with the Irish
I. R. T. will soon be I. R. A.
Scannell has got the transit lines
All runnin' underground
And O'Grady lets Quill have his way.
When Gilhooley picks out your new Miss Subways
You can bet she's an Irish Coleen
Though the trolleys and the elevated
Both have disappeared.
Have you noticed busses now are Kelly green?

### Keep It A Secret LORD JUSTICE

(Tune—Same)

If you know the names of the Johns who know Pat Keep it a secret, and don't be a rat They may be lawyers or men on the bench From Nassau to Erie they all knew this wench The men who came courting this doe-eyed young

Were all in the chips, the top ruling class Nations may crumble and cabinets fall So keep it a secret from all.

Olaf of Norway is down for a "C"
Haille Salassie got nicked for a "G"
Tito is listed—and here, by a fluke,
Is a big I. O. U. signed by Ex-King Farouk.
Old Chiang Kai Shek, he had only a yen,
But here on the list is the whole damn U. N.
The Reds spent their rubles to maintain the peace—So keep it a secret, at least.

## Without Our Daily Press THE ENSEMBLE

(Tune-"Good-night, My Lady Love")

Without our daily press
Our town has had to guess
What the shenanigans are down at City Hall,
We've tried to shed some light
Hope we have set you right,
No blackout have we here tonight.

Good night, our show is done, We hope you've had some fun, We've told you all the news for Nineteen Sixty-Three We've tried to do our best, Please, Bob, come be our guest, Say what you please, And then good night.

Couldn't someone talk him into a longer walk, say about fifty THOUSAND miles?
